

Scharf Funds 2022 Estimated Capital Gains Distributions

as of October 31, 2022

As a service to our fund shareholders, we are providing estimated capital gains distributions for all Scharf Funds to assist with year-end tax planning. All Scharf Funds mutual funds must distribute to shareholders any net realized gains from the sale of individual securities in their portfolio. These estimates are provided as of October 31, 2022 and are subject to change through the date of payment.

Distributions, whether reinvested or not, will be subject to federal and possible state income tax unless shares are held in a tax-free or tax-deferred retirement account. The per-share amount of the undistributed realized gain will be identical for all share classes.

Upcoming Capital Gain Distribution Dates

Record Date: December 12, 2022

Ex-Dividend and Reinvestment Date: December 14, 2022

Payable Date: December 14, 2022

Estimates are not final and are subject to change until the payment date. Market conditions, portfolio changes or changes in outstanding fund shares could affect these estimates. Distributions are payable to investors who are shareholders of record on the record date. Capital gains distributions are the same for each share class offered. This information is provided for tax planning purposes only.
